

ABOUT OUR COMPANY

Welcome to My Patio – your local experts in crafting premium Australian steel patios, carports, and pergolas. Backed by over 15 years of combined experience, our passionate team of skilled designers and craftsmen are dedicated to creating outdoor spaces that are as functional as they are beautiful. Every structure is designed and built in-house using only top-quality, Australian-made materials—ensuring durability, style, and a perfect fit for your lifestyle. At My Patio, we bring your vision to life with precision, pride, and a touch of innovation.

AFTER INSTALLATION CARE & CLEANING GUIDE

WWW.MYPATIO.COM.AU

10 STEPS TO EFFECTIVELY CLEAN YOUR STEEL PATIO

CLEAR THE AREA

Remove all furniture, plants, and décor to give yourself a clear workspace.

SWEEP THOROUGHLY

Use a broom to sweep away loose dirt, leaves, and debris.

RINSE THE SURFACE

Use a garden hose or high pressure hose to rinse off the patio, loosening any stuck-on grime.

PREPARE A CLEANING SOLUTION

Mix warm water with a mild detergent or specialised metal cleaner in a bucket.

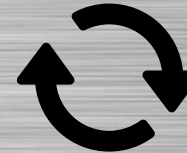

SCRUB THE SURFACE

Using a soft-bristle brush or sponge, scrub the steel surface in circular motions.

PAY ATTENTION TO CREVICES

Use a smaller brush (like an old toothbrush) to clean joints, corners, and textured areas.

RINSE AGAIN

Rinse off all soap and debris with clean water to prevent residue build-up.

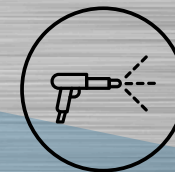

DRY THOROUGHLY

Wipe the surface with a clean, dry cloth or allow it to air dry to avoid water spots or rust.

INSPECT FOR DAMAGE

Check for any signs of rust or wear and treat with rust remover or touch-up paint if needed.

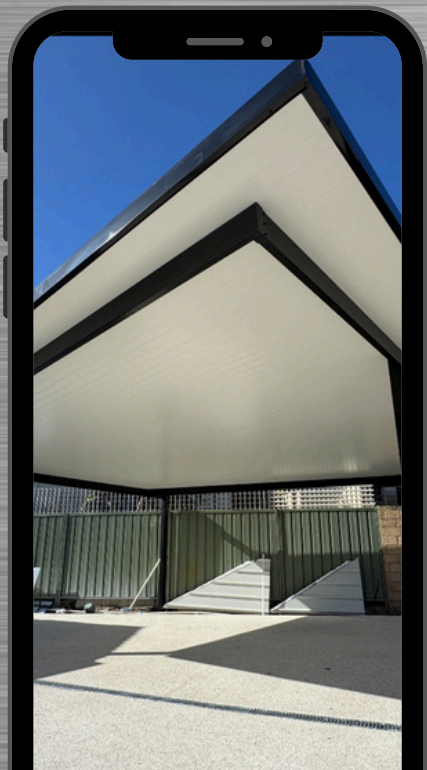

APPLY PROTECTIVE COATING

Consider applying a rust-resistant sealant or wax for long-term protection.

“Just Build it”

Insulated Raised Flat Patio

Enjoy year-round outdoor living with an Insulated Flat Patio. Designed with advanced thermal protection, it keeps the space cooler in summer and warmer in winter, creating a comfortable and stylish extension of your home no matter the season. Perfect for entertaining, relaxing, or simply enjoying the outdoors in comfort.

Flat Patio

A Flat Roof Patio is a cost-effective solution for extending your outdoor living space. Its streamlined design blends seamlessly with homes that feature wide soffits or second-story windows, maintaining clear sightlines and architectural harmony. Offering both practicality and style, it's the perfect choice for homeowners seeking to enhance their space with minimal investment and maximum impact..

Raised Skillion

A Raised Skillion Patio brings modern style and elevated comfort to your outdoor space. With its distinctive sloping roof and elevated position, it enhances natural airflow and provides uninterrupted views, creating a light, open atmosphere. Designed for both function and flair, this contemporary structure offers the perfect setting for relaxing or entertaining, all while blending effortlessly with your home's surroundings.

Why choose My Patio?

At My Patio, we're Perth's trusted patio specialists, dedicated to delivering quality craftsmanship and outstanding service. We offer free, no-obligation quotes and work closely with you every step of the way to ensure your vision becomes reality. Experience the difference with a team that puts your satisfaction first—discover why My Patio is the perfect choice for your home.

Gable

Add timeless style and spacious comfort to your outdoors with a Gable Patio. Featuring a pitched, V-shaped roof design, this patio offers generous ceiling height and excellent ventilation—ideal for keeping your space light, airy, and inviting. Whether you're entertaining guests or relaxing with family, the gable design blends functionality with classic appeal, perfectly complementing a wide range of home styles.

Carport

Protect your vehicle with a practical and cost-effective solution. A Carport is a versatile, open-sided structure—either attached to your home or freestanding—designed to shield your car from harsh weather like sun, rain, and hail. Supported by durable posts or columns, carports offer reliable protection while maintaining easy access and a clean, modern look. A smart choice for everyday convenience and value.
